

CFFU ACTION PLAN WORKSHEET

Position/Activity/Chair/Committee:

Conservation Policy

Description/Purpose:

The Director of Conservation Policy is the CFFU representative to public and private organizations that are interested in and supportive of CFFU conservation efforts.

Tasks and Activities:

1. Keep the Board of Directors informed and seek their guidance on all conservation policy concerns.
2. Seek Board of Directors approval for any advocacy position.
3. Seek Board of Directors approval for any conservation policy media releases. If time is of the essence, approval of the President will substitute for this requirement.
4. Chair the Bittner scholarship committee
